OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 22 December 1971

1. (Internal Use Only - JGO) Talked to Mr. John Boos, Assistant to Representative Lucien Nedzi (D., Mich.), who told me that the Chairman would not be in the office at all during the day and that he is unable to make an appointment for tomorrow until he talks to Representative Nedzi in the morning. It was agreed that I would call him in the midmorning to see if Mr. Nedzi might be available to meet with Mr. Maury and myself.

2. (Internal Use Only - JGO) I talked briefly with Mr. Ralph Preston, House Appropriations Committee staff, who told me that he will not be available tomorrow to meet with Colonel White and Mr. Colby. He plans, at present, to be in the office only a few minutes probably on Monday and Wednesday, 27 and 29 December. Colonel White has been advised.

25X1 25X1A 3. (Confidential - JGO) Received a call from Mr. Pat Holt, Senate Foreign Relations Committee staff, who told me that he had had a rather lengthy meeting today with [redacted] and asked if I could give him a little biographic background on the individual. After talking to [redacted] SB Division, I gave him a brief sketch noting in particular that we have no evidence that the individual is an intelligence officer. Mr. Holt was most appreciative.

4. (Secret - JMM) Briefed Richard Perle, Professional Staff Member, Subcommittee on National Security and International Operations, on the latest developments in Laos and Cambodia.

5. (Unclassified - GLC) Miss Baynard, in the office of Representative Earle Cabell (D., Tex.), called to ask if the appointment of the Director of Central Intelligence required congressional confirmation. I advised her that appointments to both the position of Deputy Director and Director were Presidential appointments requiring Senate confirmation. We talked about the Agency a bit and I offered to send her a copy of the pamphlet on the Agency which she said she would be pleased to receive.
